## Assessment Preparation: Synonyms

Synonyms are words that have the same or nearly the same meaning. Finding a synonym for a word will help you to remember its meaning.

**Directions:** Using a thesaurus and/or a dictionary, fill in two synonyms for each of the vocabulary words from pages 3-28. (The page number where the word can be found is given in parentheses.) Be sure that your synonyms are written in the same tense and part of speech as the vocabulary word. Then write a sentence, correctly using the vocabulary word.
